THE FIRM

Access, *Intelligence* & Relationships

MFB International is a boutique international advisory firm, helping ambitious organizations unlock strategic opportunities across the GCC, Asia, Europe, North America and LATAM.

We specialize in strategic introductions, market access, business development strategy and relationship-driven growth, working across business, investment, media and professional services.

Developed over more than a decade of cross-border work, our approach is senior-led, highly selective and built on trusted relationships.

Our Principles

Selective

We work with a carefully chosen portfolio of clients and opportunities.

Relationship-Driven

We place trust, discretion and long-term alignment at the center of every engagement.

Long-Term Value

We focus on outcomes that compound over time, not one-off transactions.

"The most valuable opportunities are rarely found through public channels. They are created through trust, credibility and access."

WHAT WE OFFER

Our *Services*

Each engagement is tailored to the specific goals, markets and relationships of the client.

01

Strategic Introductions

Qualified introductions to investors, decision-makers, family offices and strategic partners across key international markets.

03

Business Development Advisory

Growth strategy, opportunity identification and relationship development aligned to each client's commercial objectives.

05

Investor & Family Office Access

Connecting qualified opportunities with relevant capital partners, family offices and private investment networks.

02

Market Entry & Expansion

Guidance and hands-on support for organizations entering new markets with confidence, credibility and commercial momentum.

04

Market Representation

Acting as a trusted, credible representative in target markets on behalf of international clients and organizations.

06

Cross-Border Partnerships

Building strategic relationships that support long-term international growth, aligned to each client's vision and market.

GEOGRAPHIC REACH

Five Regions. One Integrated Network.

A trusted advisory presence across the world's most dynamic markets.

GCC

Asia

Europe

North America

LATAM

GCC • Asia • Europe • North America • LATAM

WHY MFB INTERNATIONAL

Why Clients *Work With Us*

Discreet. Senior-led. Relationship-driven..

International Perspective

Genuine experience across markets, cultures and industries. Real commercial context built over a decade of cross-border work.

Trusted Relationships

Access to decision-makers, investors and partners earned through years of credible engagement.

Strategic Access

We open doors that others cannot. Our introductions are qualified, contextual and aligned to the specific objectives of each client.

Hands-On Execution

We work directly alongside clients throughout every engagement. Senior advisory from inception to outcome.

Commercial Focus

Every engagement is measured by tangible results, through relationships formed, markets entered and opportunities converted.

Selective Partnerships

We work with a limited number of clients to ensure full attention, discretion and commitment.

THE FOUNDER

Maria Filippova Barnachinskaya

Founder & Principal Advisor

"Building trust across borders, one strategic relationship at a time."

Maria Filippova Barnachinskaya is an international business development executive and strategic advisor with experience spanning the GCC, Europe, North America and emerging markets. Over the past decade, she has facilitated cross-border partnerships, supported international expansion initiatives and worked alongside investors, family offices, professional service firms and multinational organizations.

Fluent in English, Russian and Spanish, Maria combines commercial insight, cultural intelligence and an extensive international network to help ambitious organizations access new opportunities and accelerate growth.
